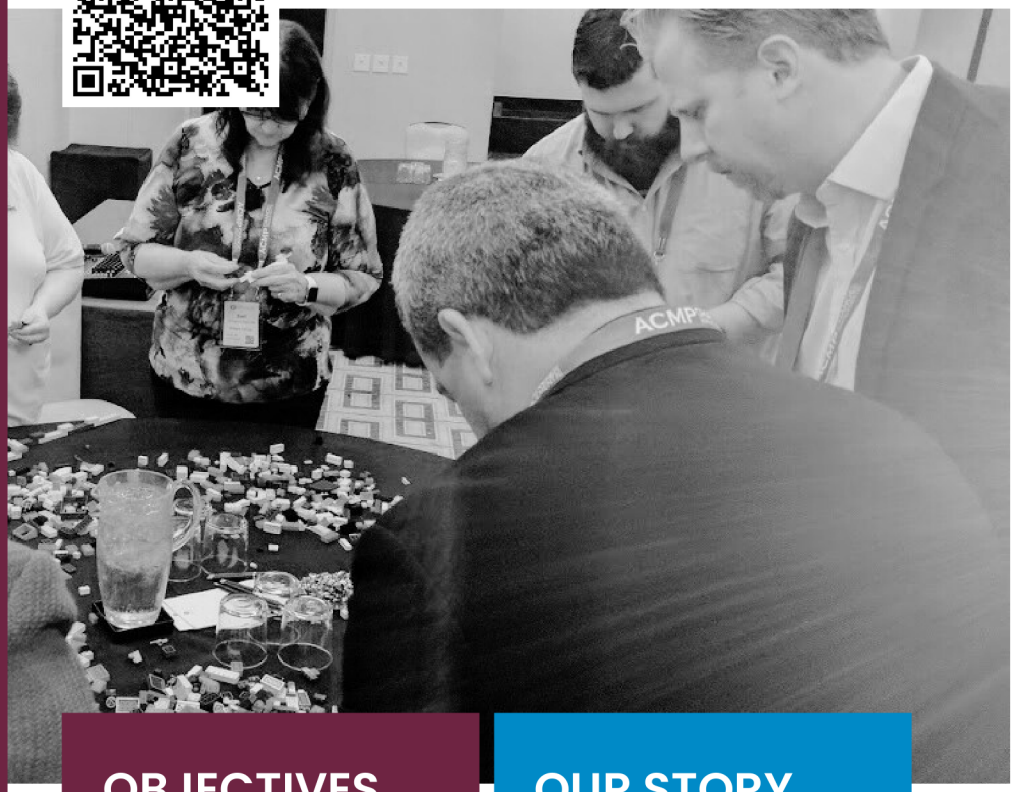
CERTIFIED LEGO® SERIOUS PLAY CHANGE FACILITATOR

Releasing the Human Potential for Change



OBJECTIVES

- Understand the benefits of kinesthetic, audio and visual learning,
- Learn the foundation Lego® Serious Play® (LSP) tools and techniques
- Understand how to apply the LSP approach to successful change delivery

OUR STORY

We are always looking for new and innovative approaches to guide people through change. Bringing the power of Lego® Serious Play to connect stakeholders, empower change agents and engage sponsors is just part of realizing the potential of play in guiding successful change.

WHAT YOU LEARN

The Value of Play

You will discover the benefits of delivering fun and creative facilitations with the power of Lego®.

Connect Teams

Deliver individual and group explorations of all types of challenge with Lego® builds.

Inclusive Approach

Utilising Lego® Serious Play engages everyone in the development of solutions and outcomes.

Curiousity

Discover the benefits of questoning the build over the person to dig deep into change challenges.

YOUR SUCCESS

Becoming a Certified Lego® Serious Play Change Facilitator (CLSPCF) will add a truly standout ability to your change toolkit. Our graduates regularly utilize the skills gained to facilitate more meaningful change that truly sticks within organizations and enables liberating change for individuals.

OUR ASK

We believe in values driven change that is human centric. If this sounds like your mantra, sign up for an upcoming course, delivered in person or virtually across the world.

Who does the CCL?

EXPERIENCED CHANGE PRACTITIONERS, LEARNING & DEVELOPMENT LEADERS, AGILE COACHES, FACILITATORS, COMMUNICATIONS LEADS. STRATEGY, INNOVATION, RESEARCH AND MORE DEVELOPERS AND DESIGNERS

The Certified Lego® Serious Play Change Facilitator adds creative and innovative skills to the change professional, guiding teams, departments and divisions through often complex change journeys seeking to explore their relationship to the change experience.
